

State

```
graph BT; A["state_machine(Normal_sleep).Sleep"] --> B["State"]
```

A diagram illustrating a state transition. At the bottom is a gray rectangular box containing the text `state_machine(Normal_sleep).Sleep`. A blue arrow points vertically upwards from the top center of this box to a white rectangular box at the top containing the text `State`. The arrow is a solid blue line with a triangular arrowhead pointing towards the `State` box.

`state_machine(Normal
_sleep).Sleep`
